## **Conveyor Handling Company Announces New LED Division**

**Elkridge, MD, May 4, 2015** –Conveyor Handling Company has formed a new LED industrial lighting division, Facility Lighting Solutions. Facility Lighting Solutions has partnered with MaxGreen to provide a competitive line of industrial and commercial LED lights.

MaxGreen manufactures the highest quality, energy efficient, and environmentally friendly LED lighting backed by a five (5) year warranty. Our LED lights use 50%-90% less electricity than traditional light sources and last more than 100,000 hours. This technology replaces outdated metal halide, fluorescent, and HID lighting. UL and IP ratings on most LED lights. Tax incentives and government rebates are available on select LED lighting.

For more information on Facility Lighting Solutions or to request an energy analysis of your distribution or warehouse facility, please contact Mark Espenshade at Conveyor Handling Company at 443-561-3052 or email [mespenshade@conveyorhandling.com](mailto:mespenshade@conveyorhandling.com).
